LIST OF CONTENTS

VOLUME 227

Page

ALEXANDER, R. McN. and POND, C. M., Locomotion and bone strength of the white rhinoceros, *Ceratotherium simum* 63

BAKER, J. D. and FOWLER, C. W., Pup weight and survival of northern fur seals *Callorhinus ursinus* 231

BOWEN, W. D., STOBO, W. T. and SMITH, S. J., Mass changes of grey seal *Halichoerus grypus* pups on Sable Island: differential maternal investment reconsidered 607

BOYLE, P. R. and CHEVIS, D., Egg development in the octopus *Eledone cirrhosa* 623

BRASHER, D. J., OVENDEN, J. R. and WHITE, R. W. G., Mitochondrial DNA variation and phylogenetic relationships of *Jasus* spp. (Decapoda: Palinuridae) 1

BRIEF REVIEWS, *see* BROWN, J. A., CHEESEMAN, C. L. and HARRIS, S. 694
ROPER, T. J. 691
WOODROFFE, R. and MACDONALD, D. W. 696

BRITZ, P. J. and PIENAAR, A. G., Laboratory experiments on the effect of light and cover on the behaviour and growth of African catfish, *Clarias gariepinus* (Pisces: Clariidae) 43

BROWN, J. A., CHEESEMAN, C. L. and HARRIS, S., Studies on the spread of bovine tuberculosis from badgers to cattle 694

CAVE, A. J. E. and JONES, T. S., Canine tooth fracture in two Congolese gorillas 685

DARTNALL, H. J. G., The reproductive strategies of two Antarctic rotifers 145

DICK, J. T. A., The nature and implications of differential predation between *Gammarus pulex* and *G. duebeni celticus* (Crustacea: Amphipoda) 171

DRESSEN, W. and HENDRICHS, H., Social behaviour and heart rate in tammar wallabies (Macropodidae: *Macropus eugenii*) 299

GORMAN, M. L. (Ed.), Communications from the Mammal Society – No. 64 319
Causes and magnitude of body weight changes in trap-confined bank voles, *Clethrionomys glareolus*, by I. SCHON and H. KORN, p. 319; Day-flying bat attacked by house martins, by J. G. OLLASON, V. E. KELLER and S. L. FREARS, p. 322; Brachygnathia in fallow deer (*Dama dama*), by N. G. CHAPMAN and S. HARRIS, p. 323; The first recorded stranding of a melon-headed whale (*Peponocephala electra*) on the European Coast, by A. M. HILL MIKKELSEN and M. SHELDRICK, p. 326; Response of a lion (*Panthera leo*) population to changing prey availability, by K. M. DUNHAM, p. 330; The supraorbital ridge as an indicator of age in wild rabbits (*Oryctolagus cuniculus*), by H. H. KOLB, p. 334; Observations on the variation in the sex ratio of wild rabbits (*Oryctolagus cuniculus*) in eastern Scotland, by B. BOAG, p. 338; The taxonomic status of black wild felids in Scotland, by C. KITCHENER and N. EASTERBEE, p. 342; Food habits of badgers (*Meles meles*) in an arid habitat, by A. RODRIGUEZ and M. DELIBES, p. 347.

GREEN, B., GRIFFITHS, M. and NEWGRAIN, K., Seasonal patterns in water, sodium and energy turnover in free-living echidnas, *Tachyglossus aculeatus* (Mammalia: Monotremata) 351

HERRING, P. J., DILLY, P. N. and COPE, C., Different types of photophore in the oceanic squids *Octopoteuthis* and *Taningia* (Cephalopoda: Octopoteuthidae) 479
HUGHES, G. M., ROY, P. K. and MUNSHI, J. S. D., Morphometric estimation of oxygen diffusing capacity for the air-sac in the catfish *Heteropneustes fossilis* 193
JACKSON, R. R., Predator-prey interactions between web-invading jumping spiders and two species of tropical web-building pholcid spiders, *Psilochorus sphaeroides* and *Smeringopus pallidus* 531
JACKSON, R. R. and VAN OLPHEN, A., Prey-capture techniques and prey preferences of *Chrysilla*, *Natta* and *Siler*, ant-eating jumping spiders (Araneae, Salticidae) from Kenya and Sri Lanka 163
JONES, C. J. and GEISER, F., Prolonged and daily torpor in the feathertail glider, *Acrobates pygmaeus* (Marsupialia: Acrobatidae) 101
KERLEY, G. I. H., Ecological correlates of small mammal community structure in the semi-arid Karoo, South Africa 17
KING, A. S., VIDYADARAN, M. K. and KASSIM, H., Quantitative pulmonary anatomy of a ground-dwelling bird, the white-breasted water-hen (*Amaurornis phoenicurus*) .. 185
KISIA, S. M. and HUGHES, G. M., Estimation of oxygen-diffusing capacity in the gills of different sizes of a tilapia, *Oreochromis niloticus* 405
KLAGES, N. T. W. and COOPER, J., Bill morphology and diet of a filter-feeding seabird: the broad-billed prion *Pachyptila vittata* at South Atlantic Gough Island 385
KLINGENBERG, C. P. and ZIMMERMANN, M., Dyar's rule and multivariate allometric growth in nine species of waterstriders (Heteroptera: Gerridae) 453
MAGRATH, R. D., The effect of egg mass on the growth and survival of blackbirds: a field experiment 639
MAJLUF, P., Timing of births and juvenile mortality in the South American fur seal in Peru 367
MALCOLM, J. R., Use of tooth impressions to identify and age live *Proechimys guyannensis* and *P. cuvieri* (Rodentia: Echimyidae) 537
MANSDOTTER, S., EPPLE, G. and KÜDERLING, I., Age-related changes in ovarian morphology of the South American tamarin *Saguinus fuscicollis* (Callitrichidae) 239
MCNAB, B. K., The comparative energetics of rigid endothermy: the Arvicolidae 585
MILLWARD, A. and WHYTE, M. A., The hydrodynamic characteristics of six scallops of the Super Family Pectinacea, Class Bivalvia 547
PULLIN, A. S. and KNIGHT, T. M., Induction and termination of reproductive diapause in a neotropical beetle, *Chelymorpha alternans* (Coleoptera: Chrysomelidae) 509
REAVEY, D., Egg size, first instar behaviour and the ecology of Lepidoptera 277
RIEPPEL, O., Studies on skeleton formation in reptiles. I. The postembryonic development of the skeleton in *Cyrtodactylus pubisulcus* (Reptilia: Gekkonidae) 87
ROBERTS, M., RODRIGO, A., MCARDLE, B. and CHARLESTON, W. A. G., The effect of habitat on the helminth parasites of an island population of the Polynesian rat (*Rattus exulans*) 109
ROBERTSON, A., HIRAIWA-HASEGAWA, M., ALBON, S. D. and CLUTTON-BROCK, T. H., Early growth and sucking behaviour of Soay sheep in a fluctuating population 661
ROPER, T. J., The structure and function of badger setts 691
RUSSELL, A. P. and BAUER, A. M., The *m. caudifemoralis longus* and its relationship to caudal autotomy and locomotion in lizards (Reptilia: Sauria) 127

RYDELL, J., Occurrence of bats in northernmost Sweden (65°N) and their feeding ecology in summer 517
SCRIVEN, P. N., Robertsonian translocations introduced into an island population of house mice 493
SHORE, R. F., BALMENT, R. J. and YALDEN, D. W., The effect of varying calcium intake on calcium metabolism in wild rodent species 29
SIMPSON, V. R. and HARRIS, E. A., *Cyathostoma lari* (Nematoda) infection in birds of prey 655
TABER, A. B. and MACDONALD, D. W., Spatial organization and monogamy in the mara *Dolichotis patagonum* 417
TABER, A. B. and MACDONALD, D. W., Communal breeding in the mara, *Dolichotis patagonum* 439
VILLANUEVA, R., Deep-sea cephalopods of the north-western Mediterranean: indications of up-slope ontogenetic migration in two bathybenthic species 267
WAUTERS, L., SWINNEN, C. and DHONDT, A. A., Activity budget and foraging behaviour of red squirrels (*Sciurus vulgaris*) in coniferous and deciduous habitats 71
WENTWORTH, S. L. and MUNTZ, W. R. A., Development of the eye and optic lobe of *Octopus* 673
WILLIAMS, T. D., BRIGGS, D. R., CROXALL, J. P., NAITO, Y. and KATO, A., Diving pattern and performance in relation to foraging ecology in the gentoo penguin, *Pygoscelis papua* 211
WOODROFFE, R. and MACDONALD, D. W., Badger clans: demographic groups in an antisocial species 696
WORTHY, G. A. J., MORRIS, P. A., COSTA, D. P. and LE BOEUF, B. J., Moult energetics of the northern elephant seal (*Mirounga angustirostris*) 257
YOUNG, B. A., Tracheal diverticula in snakes: possible functions and evolution 567
YOUNG, J. O., The feeding biology of the immigrant triclad *Phagocata woodworthi* in Loch Ness, Scotland 503
ZHANG, Z. and RUNHAM, N. W., Initial development of *Oreochromis niloticus* (Teleostei: Cichlidae) otolith 465
ZULETA, G. A. and BILENCA, D. N., Seasonal shifts within juvenile recruit sex ratio of Pampas mice (*Akodon azarae*) 397
